Herr Prof.

### The Porridge Cookbook #5

Why is it that there has been little written about Tesla's belief that he had listened in on alien radio signals. The law last mentioned was passed in October, about nine months after the State had ratified and adopted the present Constitution of the United States, and, by that law, it prohibited its own citizens, under severe penalties, from engaging in the trade, and declared all policies of insurance on the vessel or cargo made in the State to be null and void.
